

FIM EUROPE RAID 2018 TOUT TERRAIN-RALLY CUP

DIRT RACING SERVICE

For the European Rally FIM Championship 2018, we are happy to announce our commitment to give our clients the opportunity to ride as **pro riders** and approach the **Beta world**. On the base of our decennial experience and achievements at national and international level we will setup bikes available for each race of the championship: **Beta RR 430/390 4t my 2018**, with additional tank and appropriate equipment for navigation, 3 assistance vehicles (fast and paddock trucks for a unique, full-time service), specialized mechanics, more than 120 sqm of high-end hospitality.

Requests for prices and details at info@dirtracing.it
